

Update on my bio: not too much. We are still living in Marcy and our oldest, Todd and wife, Sue still in CT. Their oldest, Scott will be a Senior at Eastern Connecticut College and their daughter, Melissa, will be a Sophomore at U. Conn. Keith and wife, Ellen, are still in DeWitt (Syracuse). The oldest daughter, Allison, will begin her Junior year at Binghamton University in the nursing program. She recently completed her semester in Spain and will be home May 31st. Joanna, their youngest daughter will start her freshman year at St. Joseph's University in Philadelphia. Am not sure where the years have gone but we are enjoying our retirement years pretty much. Steve still plants a large garden (not so large this year since the more he plants the more the deer and other critters get to feast!!) He will be 84 in June and is doing well. I continue to hobble with my cane since the tendon ruptured last June after my total knee replacement. Dr. feels it won't get much better so I am just happy to be able to drive and to get out of bed in the morning and be out 'n about!! We have been blessed over the years.
